

RETROSPECT

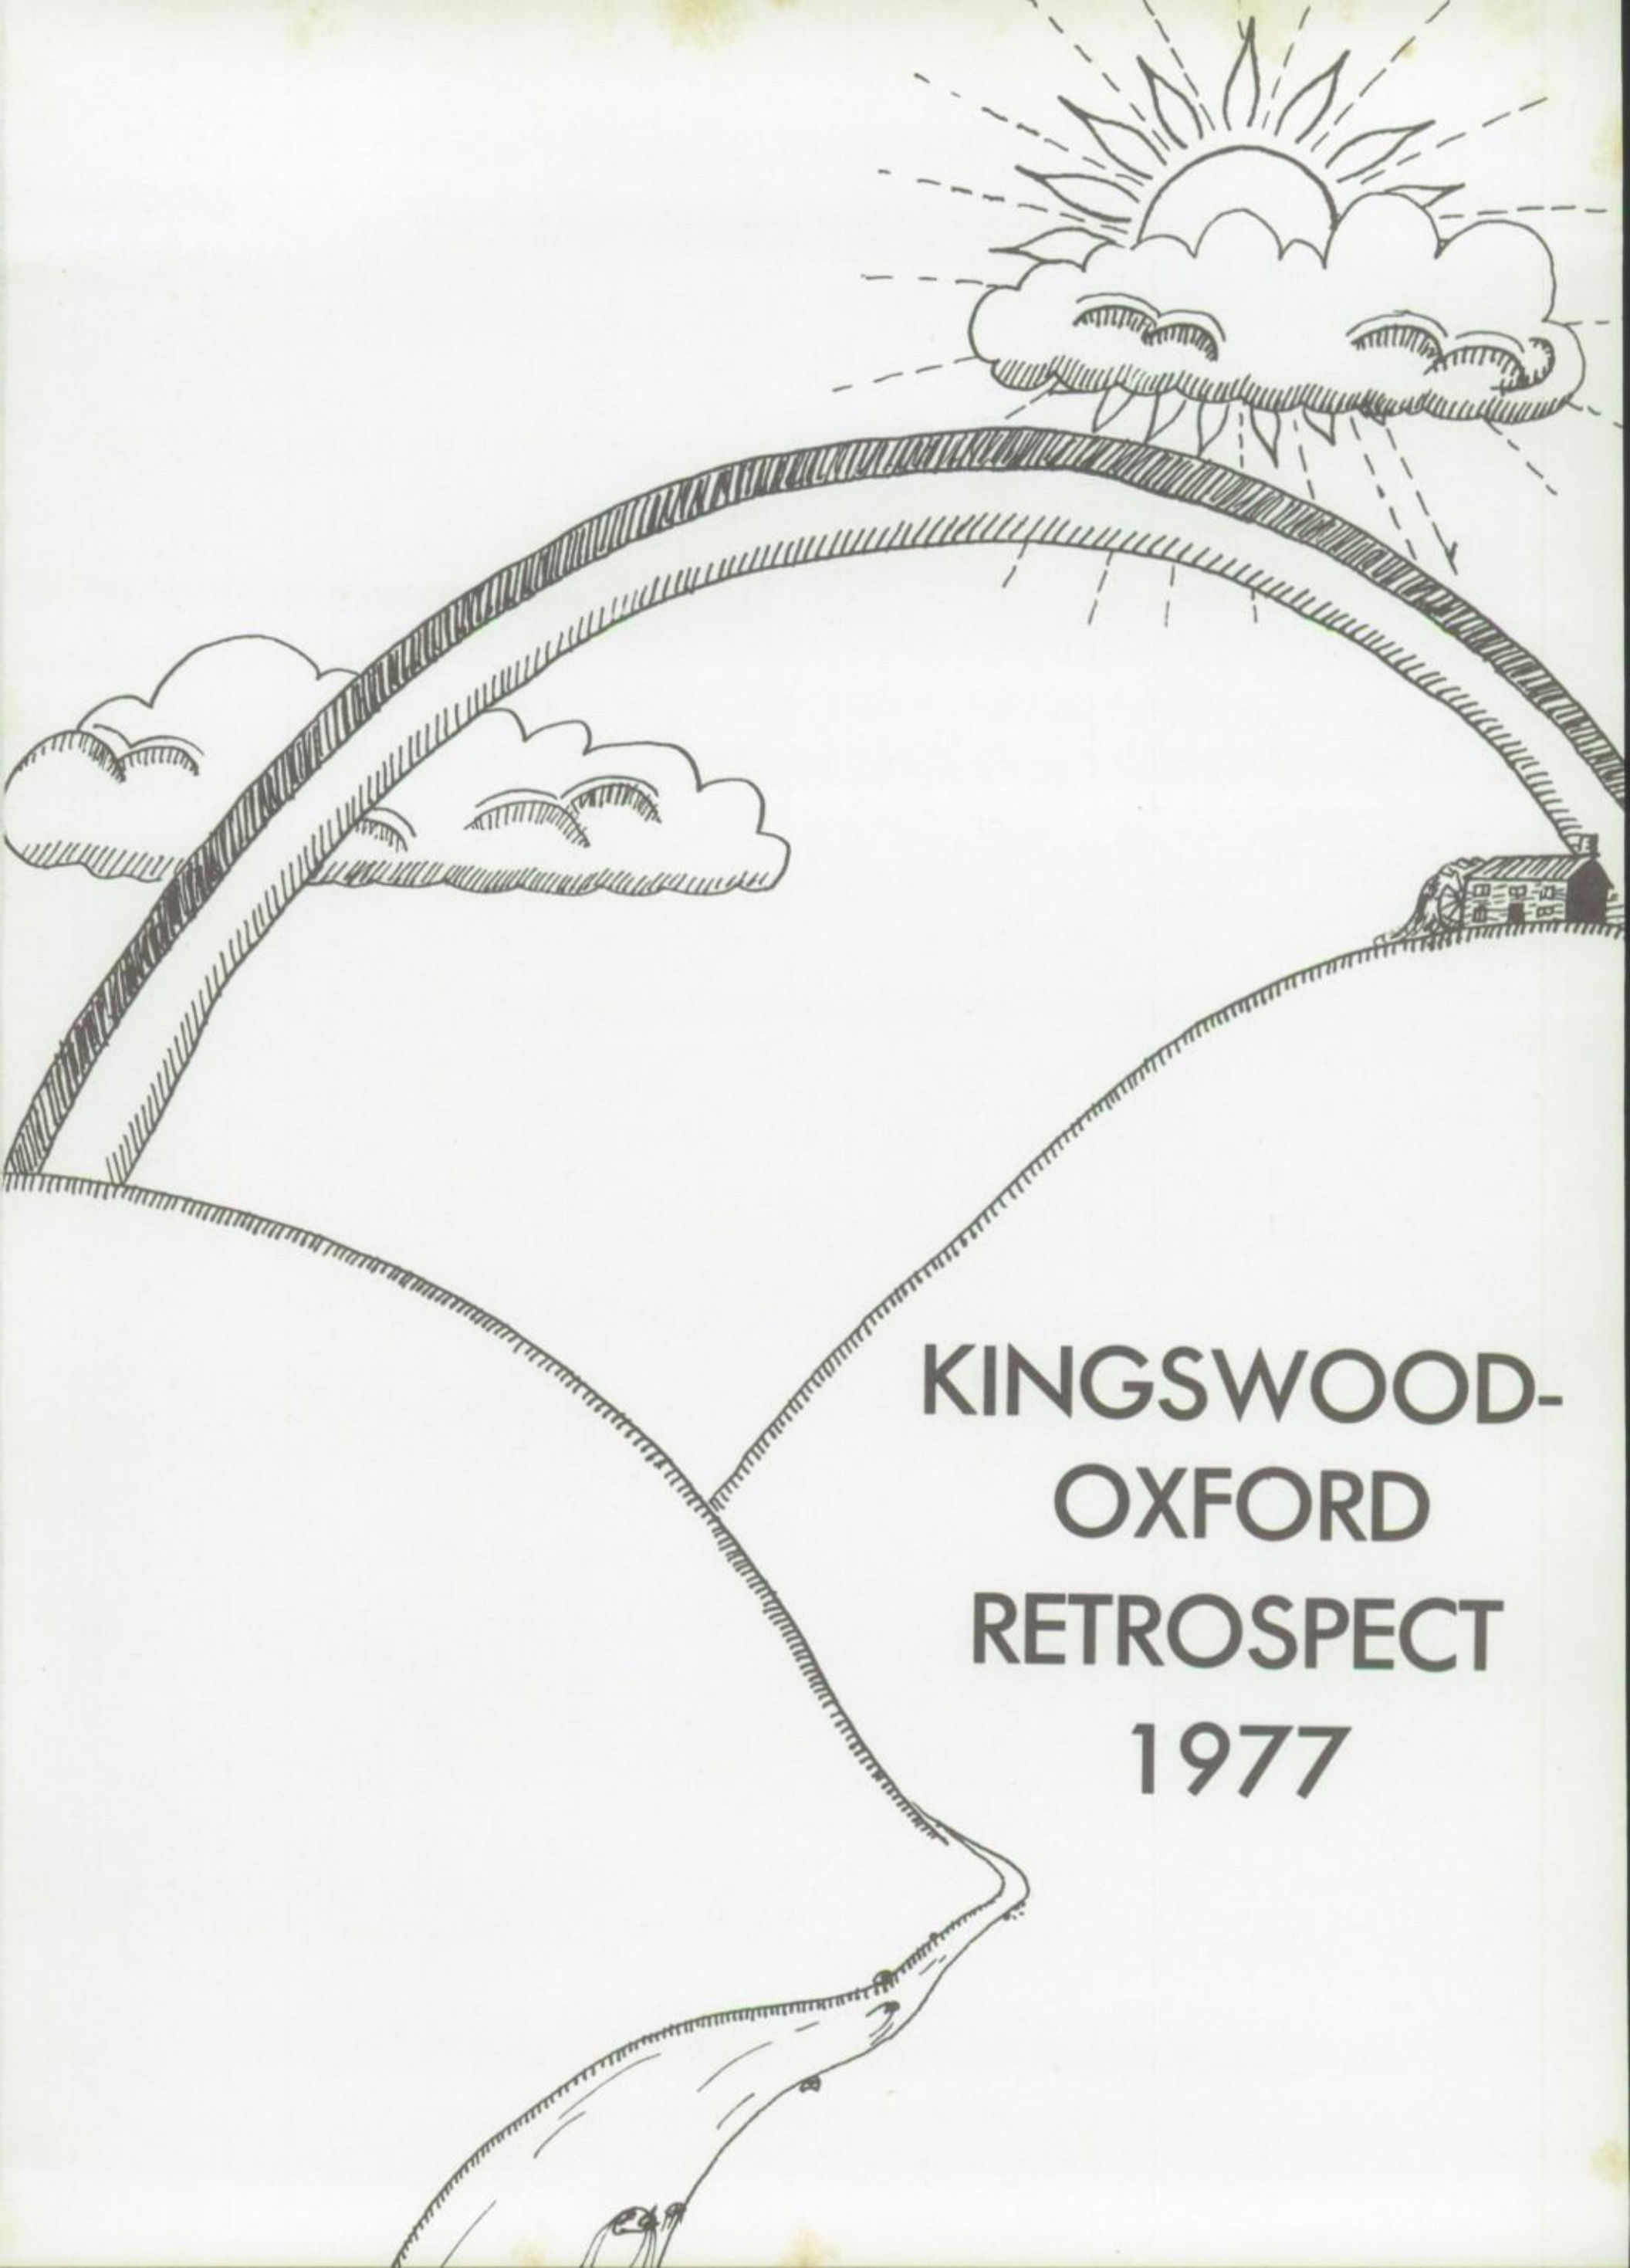

1977

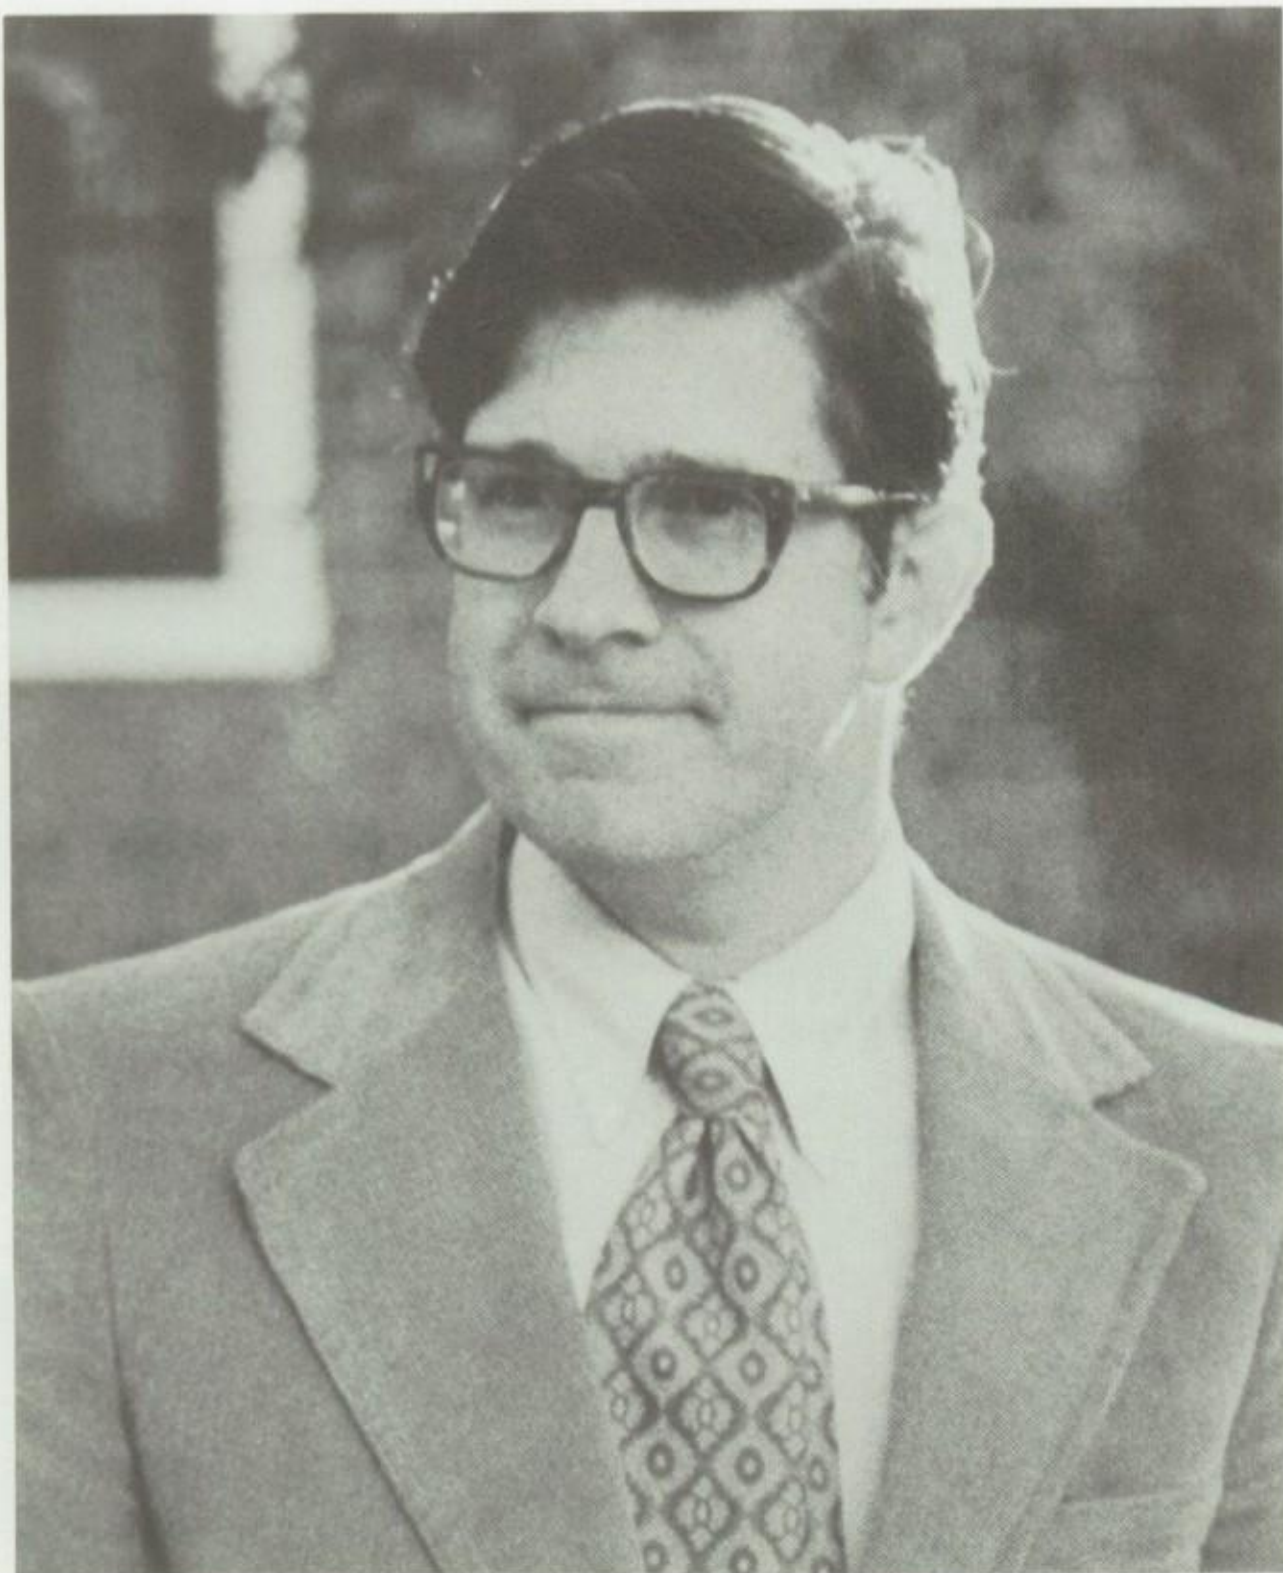

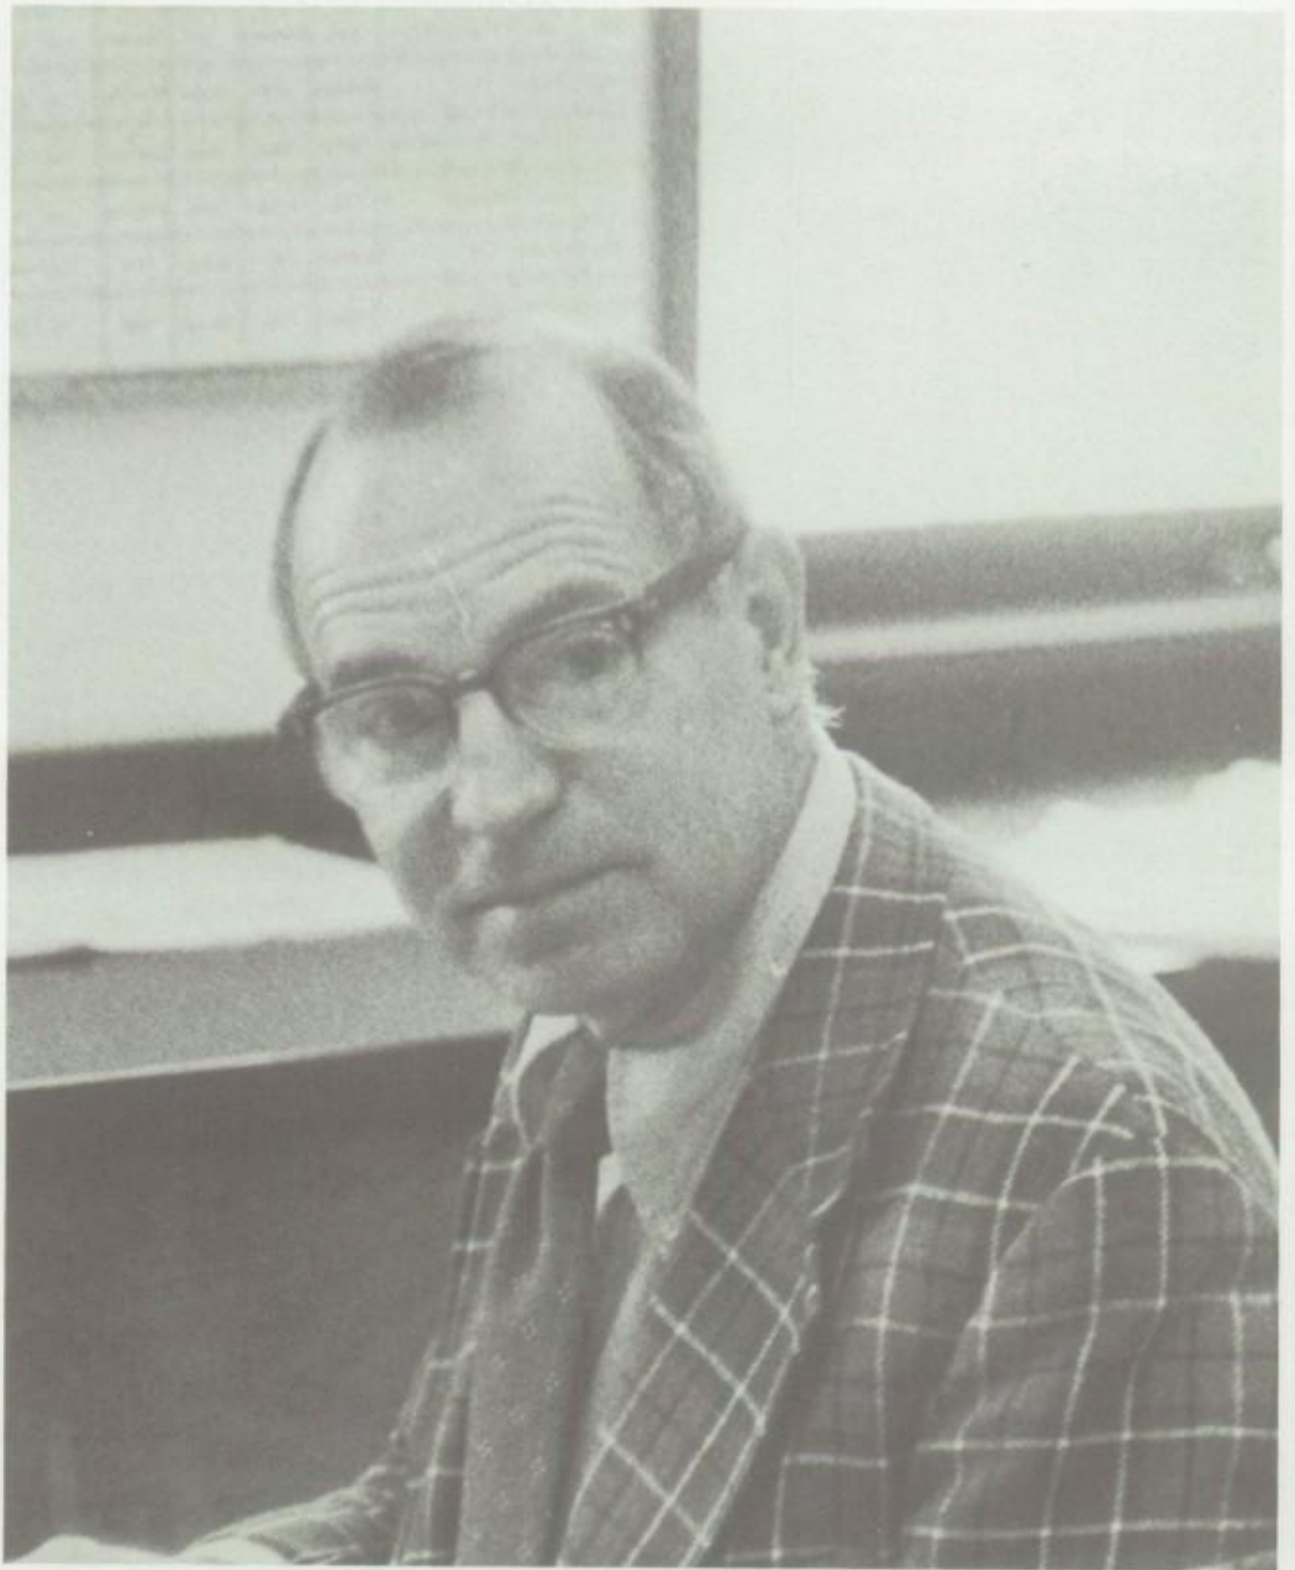

**KINGSWOOD-
OXFORD
RETROSPECT
1977**

Mr. Googins, we would like to thank you for your truly unforgettable personality and for being a friend to the class of '77. You have never let your sense of humor interfere with your dedication to your job. Your friendship has been much appreciated by all of us.

The class of 1977 takes this opportunity to express their gratitude and appreciation to Joel Lorden. His light humor has helped us through our trying years, and his total dedication to his teaching has encouraged his students to succeed.

On Monday, September 13, 1971, fifty-four eleven and twelve year boys met on the Kingswood campus and thirty-two girls of the same ages met at Oxford for orientation. We had come from different backgrounds, from schools both public and private, to converge on a school that would shape us to its pattern but still leave us individuals.

Seventh grade for the girls was a time for adapting to Oxford ways. In short gray skirts, white blouses with pan collars, gray blazers and knee socks, we were taught to stand up when a teacher entered the room, we stood in line for lunches (diet included), we learned to play field hockey from Miss Hunter, and we experienced the rigorous academics of a preparatory school. We had competitions between the Orange and Gray teams throughout the year, and when spring came there was the father-daughter dinner. Graduation was held in the Immanuel Congregational Church in a beautiful ceremony, and then we were second formers. The boys, meanwhile, were experiencing the fun of "Fiziology" with Mr. Williams, and the trauma of study hall. The two classes met formally on the field trip to Strickland Rock Quarry, led by science teachers Picard and Goodwin.

In May, both boys and girls witnessed the dedication of the new Robert Center building with a lecture by Dr. Margaret Mead.

In the fall of 1972, Kingswood-Oxford was united by sharing a single headmaster. Mr. Robert Lazear was as often seen on the girls' campus as on Outlook Drive.

Eighth grade at Oxford saw a class grown to forty students, highlighted by recorder class with Mr. Bennet, four square tournaments after lunch, Kris Kringles at Christmastime, and Nixon vs. McGovern. In the second form year at Kingswood, study halls and Government were tied for the most stimulating periods of the day. One way to interrupt the unparalleled excitement of study hall was coughing fits, which Mr. Dale quickly abolished. Government, however, was a little more difficult to withstand because of the necessity to appear alert and interested.

In the spring of eighth grade it was announced that come fall, Kingswood would become the upper campus of a coeducational school and Oxford would be the lower campus. At Oxford the announcement was greeted with great enthusiasm and at Kingswood a poll taken showed much anticipation of the coming year.

In the fall of 1973, we went through our second orientation day. We were each assigned an advisor, a new concept for the girls. They were as wide-eyed with the tour of this campus as they had been two years before on being led around Oxford. The boys were familiar with their surroundings, but not with their new classmates. The school was changing, things were rearranging.

The work had never been as hard as in third form year. Whether it was Algebra 1 or Geometry, General Science or Biology, we were faced with more studying than ever before. 9th grade study hall was a thing of the past with most of us after fall term. In March there was the third form Project in which twenty-six of our students participated. In the spring we all went to Stratford to see "Twelfth Night," minus the first act due to the bus holding the tickets disappearing.

When the summer had past, fourth form was here, with English electives, upper school sports, and going off campus, supposedly with a pass. We had a single president of the class for the first time, and opportunities existed to get to know one another, such as the fourth form play and the camping trip.

The fall of 1975 saw our class seated in the left of the auditorium as juniors. The word seemed prestigious to us and yet had some frightening connection with hard work and college. It soon became routine to hear Mr. White read off his interviews every Tuesday and Thursday morning, and the terms SAT and Achievements were all too common. The scramble for extracurricular activities good for college began, and we started to look ahead more and more. Juniors were seen congregating in the hallway, and any X period the floor was a solid carpet of outstretched legs. Soon a new rule was established, banishing us from the corridors.

By Spring, we were anxious to become seniors, a feeling proved by a dramatic raid on the senior green. Finally, members of our class were made sports captains, editors, prefects, and school government officials, graduation of the class of 1976 had come, and we were seniors.

The first day of classes in the fall of 1976 didn't seem much different from past years, and we realized

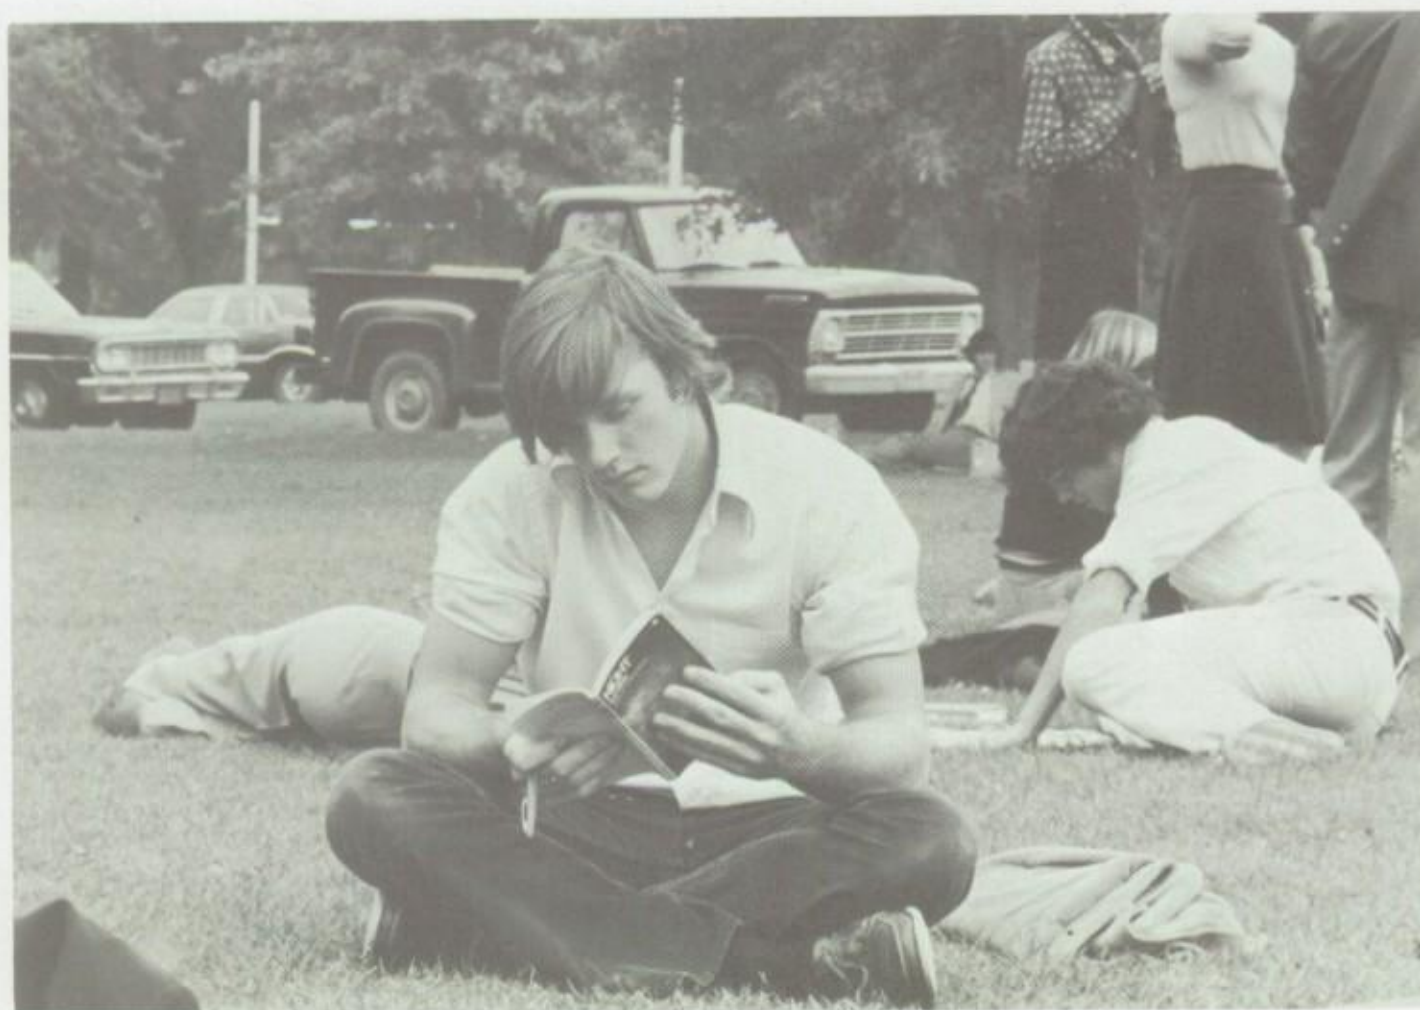

being a senior was not as wonderful as we had assumed. Senior privileges were nice, however; going off campus was as easy as signing out, lunch was an option, and the green was ours. It was told to us that "the fall term of your senior year is *the* most important term of your high school career." College counseling meetings became numerous and application deadlines came up all too quickly. Soon the applying was done, however, and all we could do was wait and hope. April arrived with the momentous news and senior slide began for those of us who had not already gone on senior projects.

The class of 1977 has seen many changes take place, both in the school and in themselves. We are the first class to have gone four years coed on the upper school campus and the last class where the boys have never attended the lower school at Oxford. We have witnessed the crumbling of our federal government in the downfall of Richard Nixon, we have seen a U.S. Spaceship on Mars, and we have experienced the birth of the Whalers. In these six years at Kingswood-Oxford, we have grown in height and maturity, and we now face the world prepared for whatever it offers. As Winston Churchill said —

"This is not the end
It is not even the beginning of the end
It is rather the end of the beginning."

See you all at our twenty-fifth reunion in 2002. Good luck.

In Memory Of Frank Gencarelli Class of 1977

True love of joy and friendship is a rare gift. Frank Gencarelli possessed this love, and his passing last year was a great loss to the school, his friends, and his family.

Frank was an avid water-skier and kayaker, enjoying snow skiing as well. He found math especially interesting and his zest for these activities was not diminished by his long struggle with illness.

When we remember Frank, we will think of his courageous and friendly attitude, and he will stand out as a reminder of the precious gift of life.

"Why?"
— Davidius

He understood himself.
Upon this he saw that when he was of
anger or knew hurt or felt fear,
It was because he was not understanding,
And he learned, compassion
He saw his enemies like unto himself,
And he learned love.
Then he was answered.

We go higher and higher and higher"

Alice: Please tell me which way I ought to go from here?

Cat: Well, that depends a great deal on where you want to get to.

Alice: I guess I don't really much care where.

Cat: Then it doesn't really matter which way you go.

Alice: As long as I get somewhere.

Cat: Oh, you're bound to do that, if only you walk
far enough. (laughs hysterically)

Alice: Could you tell my what type of people live around here?

Cat: Well in that direction, lives a Mad Hatter, and in that direction
lives a March Hare. Visit either one; they're both mad.

Alice: I don't want to go among mad people.

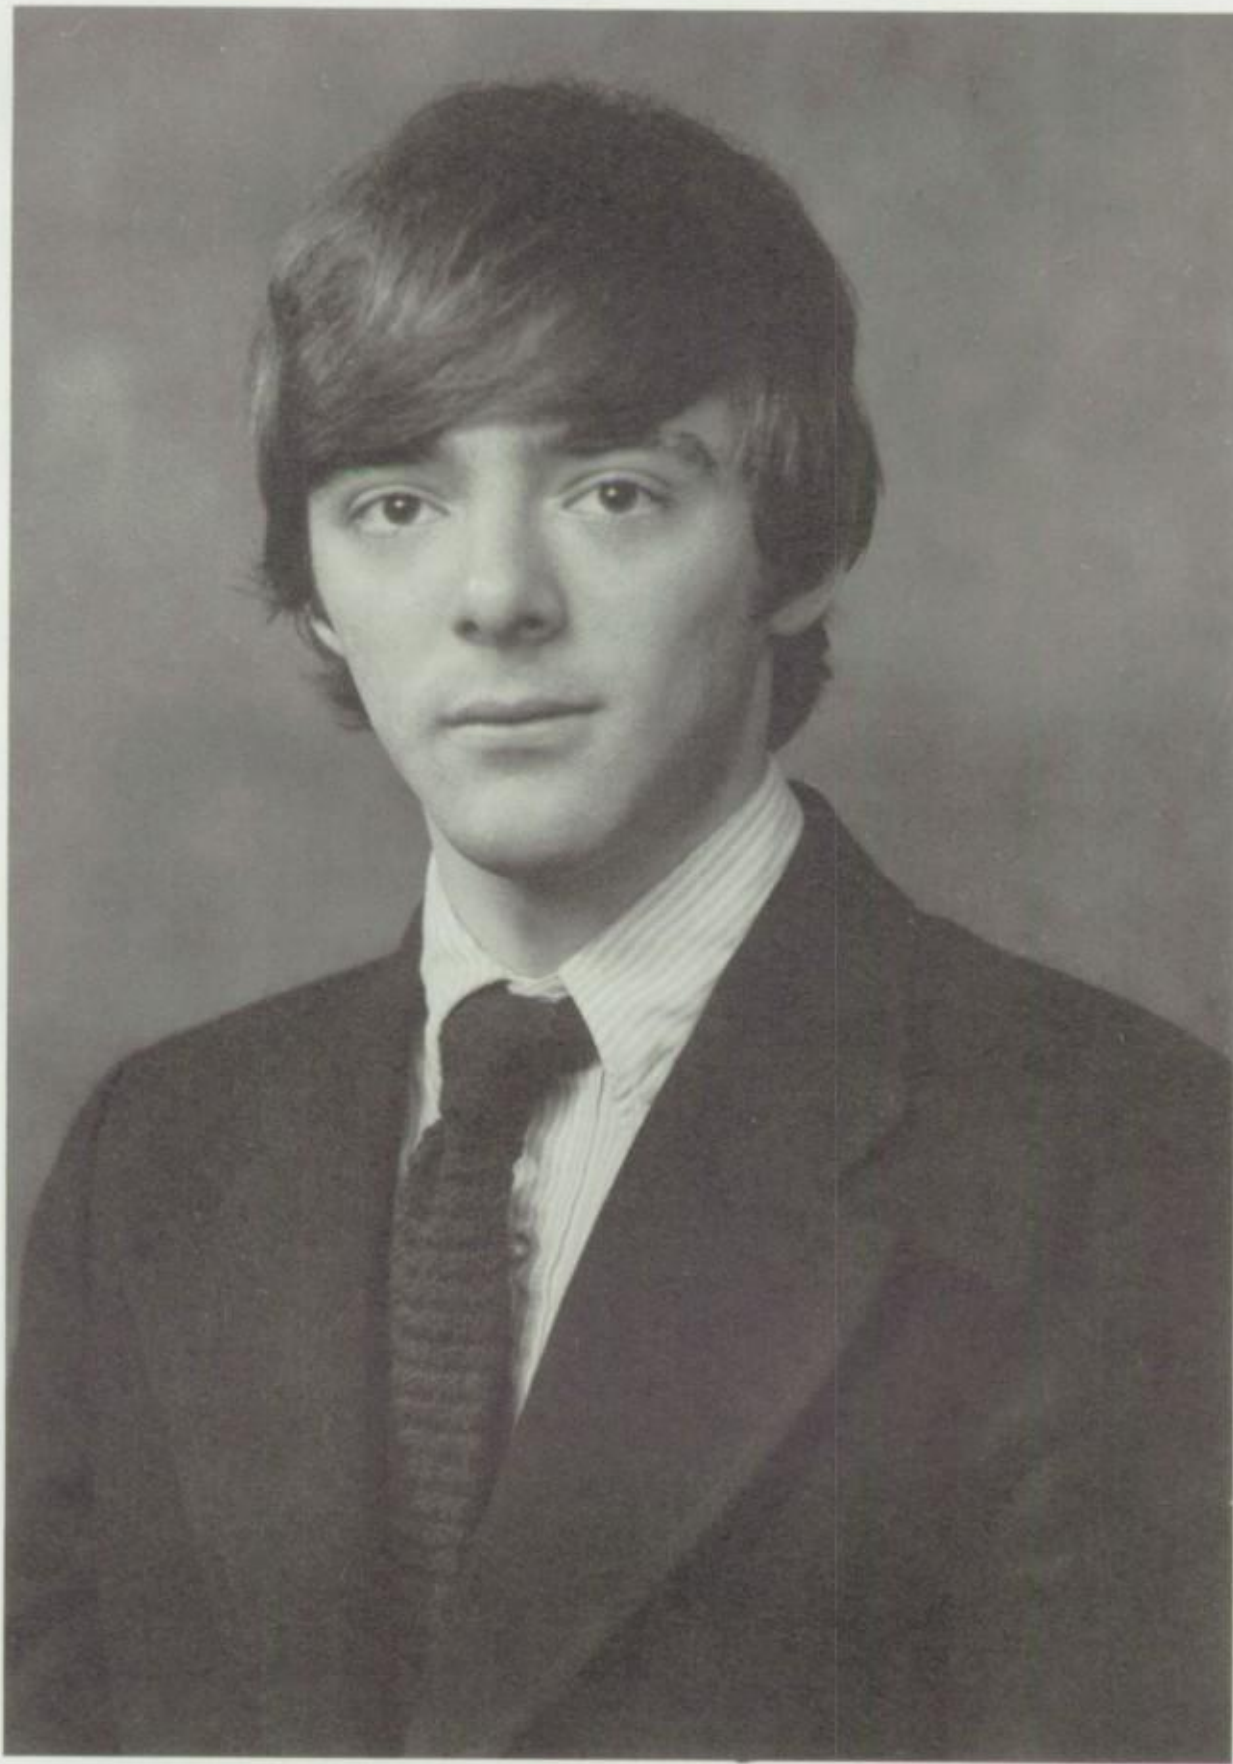

Cat: Oh you can't help that. We're all mad here. I'm mad and you're mad.

Alice: How do you know I'm mad?

Cat: You must be mad, or you wouldn't have come.

"I see. Why don't you put it right in Central Park?"

"Could we do that?"

"Sure, do it at night when no one is looking. Why don't you put it in the reservoir and get the whole thing over with? Of course, that might interfere with the water supply, but after all we must remember that art is art. I woke up today, I was crying,
 Lost in a lost world,
 Cos' so many people are dying,
 Lost in a lost world.
 Some of them are living an illusion,
 Bounded by the darkness of their minds,
 In their eyes, it's nation against nation,
 With racial pride, sad hearts they hide
 Thinking only of themselves, they shun
 The light. They think they're right
 Living in their empty shells.

Huckleberry came and went, at his own free will. He slept on doorsteps in fine weather and in empty hogsheads in wet; he did not have to go to school or to church, or call any being master or obey anybody; he could to fishing or swimming when and where he chose, and stay as long as it suited him; nobody forbade him to fight; he could sit up as late as he pleased; he was always the first boy that went barefoot in the spring and the last to resume leather in the fall; he never had to wash, nor put on clean clothes; he could swear wonderfully. In a word, everything that goes to make life precious that boy had.

Here is no sentiment, no contest, no grandeur, no economics. From the sanity of this occupation, a man may emerge refreshed and in control of his own soul. He is not idle. He is fishing, alone with himself in dignity and peace. It seems a very precious thing to me.

I have these moments
 All steady and strong
 I'm feeling so holy and humble
 The next thing I know
 I'm all worried and weak
 And I feel myself
 Starting to crumble
 The meanings get lost
 And the teachings get tossed
 And you don't know what you're
 Going to do next
 You wait for the sun
 But it never quite comes
 And some kind of question comes
 Through to you
 Some kind of message comes through
 And it says to you
 Love when you can
 Cry when you have to
 Be who you must
 That's a part of the plan
 I'll await your arrival
 With simple survival
 And one day we'll all understand
 Your conscience awakes
 And you see your mistakes
 And you wish someone
 Would buy your confessions
 The days make their mark
 And the nights get so dark
 And it's some kind of message
 Comes through to you
 Some kind of message shoots through
 And it says to you
 There is no eden of heavenly
 gates
 That you gonna make it to
 One day
 But all the answers you seek
 can be found
 In the dreams you dream
 On the way.

SPORTS

ROW ONE: Fowler, Gersten, Roberts, Weist (co-captain), Moran (co-captain), Udolf, Ross, Lederman. ROW TWO: Marvin (fan), Grody, Quinn, Schwolsky, Hull, Putnam, Citell, Bray, Coach Doyle. MISSING: Coley.

Cross Country

The 1976 Varsity Cross Country finished the season with a 4-8 record. The team posted victories over Avon twice, Pomfret and ASD. Injuries plagued the Wyverns all season long, costing the team captain Phil Moran for almost the entire season, while other injuries kept runners Carl Beck, Bob Udolf and Rick Gersten inactive for part of it.

Next year's squad will be led by Captain Parker Roberts, Juniors Carl Beck and Bob Udolf and Freshmen John Hull, Tim Putnam and Peter Coley. Leaving the team will be senior co-captains Marc Wiest and Phil Moran, and seniors Rick Gersten, Mark Ross, and Gordon Fowler, along with Junior David Quinn.

Football

ROW ONE: Haverty, Wilson, Graham, Namnoun (Tri-captain), Frank (Tri-captain), Hopkinson (Tri-captain), Belden, Travers, Van Vleck.
 ROW TWO: Cuda, Berman, Kaplan, Brennan, Herbert, D'Apice, Russell, Russell, Caccomo, Fleming, Varca (manager), Shannon (manager). ROW THREE: Margolis, Fierberg (manager), Gustafson, Dowling, Ribadeneyra, Moore, Ergin, Roth, Mongillo, Paulekas.

Led by a strong defense the Kingswood football team finished its season at 3-3-2. Spearheaded by ends Jon Graham and Mike Van Vleck, linemen Mike D'Apice and John Herbert, linebacker Ken Namnoum, and defensive backs Stu Frank, Roland Wilson, and Paul Brennan, the Wyverns yielded only one touchdown in each of four games this year. The defensive unit also held Erickson League powerhouses Hotchkiss and Kent to 13 and 18 points respectively. The latter games effort was hindered by seven Wyvern fumbles.

Injuries hurt the team as Kingswood played its last two games without seven starters. Leading the offensive squad were fullback Doug Belden and linemen Rand Hopkinson and John Travers. Next year's team will look for leadership from co-captains Wayne Paulekas, who did a fine job at linebacker, and Tim Ribadeneyra, the Wyvern wingback.

ROW ONE: Stedman, Taylor, Van Dyck (co-captain), Yellin (co-captain), Han, Anderson. ROW TWO: Calvert, Sandy, Every, Tryon, Calvert, Sue, Title, Krevolin, Gerke. ROW THREE: Sigal, Jacobsen, Creedon, Bush, Perry, Castaldi, Putnam, Zabel, Mr. Thompson (coach). MISSING: Caldwell, Foster (manager).

Girls Varsity Soccer

9-1-2

The Girls Varsity Soccer team ended its second successful season in a row, coming close to last year's undefeated mark with a final 9-1-2 record. This was a surprise because of last year's loss of players, but due to hard work and clutch scoring, this team kept the undefeated streak alive until the last game of the season, a total of 22 games with no losses. The loss was to undefeated Taft and it placed the girls tied for second in the women's division of the Western New England Prep School Soccer Association (WNEPSSA) league.

Co-captains Wendy Yellin and Emily Van Dyck anchored the midfield play, with Yellin leading the fullbacks and Van Dyck backing the forward line. The defense was held together by Seniors Jenny Putnam and Kristin Taylor and Junior Libby Zabel at sweeper and wing fullback positions. Due to this solid formation and the skills showed by new goalie Tyler Perry, the Girls Soccer team registered five shutouts. The scoring punch was led by Sophomore Jill Sigal and Junior Jill Tryon with eight and six goals respectively. Seniors Amanda Stedman and Hye-Kyung Han will be hard to replace at halfbacks, but Sophomore Janna Jacobson and Freshman Ceally Anderson should be able to keep up the hard running halfback strength. Sandy Calvert and Emily Van Dyck each scored four goals and Diane Title and Janna Jacobson each had two to provide for most of the rest of the scoring. K-O outscored their opponents 28-12, five of these goals given up to Taft. Taft finished first in WNEPSSA with a record of 15-0-0 and outscored their opponents 70-6.

Seniors Sue Calvert and Diane Title added to the strength of the forward line while classmates Kim Bush and Debbie Caldwell helped on defense. Senior Maggie Gerke was an able halfback and she added much to the team with her enthusiasm and effort.

This successful team will lose eleven seniors but the strong scoring team of next year's captains Jill Tryon and Sandy Calvert joined by Jill Sigal should keep up the winning tradition. Libby Zabel is a necessary part of the fullback group and should be a valuable contribution in leading the defense next year.

ROW ONE: Ribadeneyra, Sharaf, Glassman, S., Newman (co-captain), Eddy (co-captain), Sheintop, Ergin. ROW TWO: Waskowitz, Glassman, A., Blackham, Lankin, Taylor, DeLong, McAuliffe. ROW THREE: Kevin (assistant manager), Hentley (manager), Coach Williamson, Collamore, Winograd, Pierce, Crawford, Painter, Rosensweig, Deephouse, Coach Waters, Head Coach Dixon.

Boys Varsity Soccer

10-4-2

The 1976 Boys Varsity Soccer team was one of the most successful in the school's history. The team's 10-4-2 overall record was highlighted by consecutive wins over Williston and a second place finish in the first annual Western New England Prep School Soccer Association Tournament.

The defense, bolstered by co-captain Scott Newman, Andy Glassman, Chris McAuliffe, goaltender Jeff Lankin, and All-League team members George Pierce and Mike Crawford, let up less than two goals per contest. Offensively, the team was led by Adam Sharaf's 14 goals while David Sheintop and Tom Ribadeneyra each picked up eight. Co-captain Peter Eddy, Steve Glassman, Dave DeLong and Rob Rosensweig filled in the remaining starting positions throughout the season. Next years team will have leadership from co-captains Peter Eddy and Andy Glassman.

ROW ONE: Simons, (co-captain), Tyler (co-captain). ROW TWO: Pigott, P, Pigott, M, Connolly, LeBlanc, Lindsay, Whitaker, Emery. ROW THREE: Langdon, Howard, Pitrus, Noble, Fahy, DeGraff, Putnam, Johnson, Coach Nolan. MISSING: Martin.

The Varsity Field Hockey team ended with an improved 5-5-3 over the previous season. Co-captains Maren Tyler and Sarah Simons provided the spirit and enthusiasm which kept the young team going. Unfortunately, Sarah was benched for the season with a knee injury, but Goalie Maren played consistently well, allowing only eleven goals to be scored. Senior Mary Martin provided the offensive momentum for the forward line, tallying five of the teams eight goals. Classmates Peggy Langdon and Libby Noble were essential to the strength of the defense. The success of next year will depend on the direction of co-captains Liz Fahy and Patsy Pigott who will no doubt be helped by the skills of Becky Johnson.

Girls Volleyball

ROW ONE: Bertram, Margison (captain), Gfeller ROW TWO: Gaffney, English, Rodgers, Zyla ROW THREE: Newell, Gozon, Wedmore, Weber (coach) ROW FOUR: Bloomfield, Bayer, Beatty, Iacampo

The 1976 fall term marked the introduction of the Women's Varsity and Junior Varsity Volleyball teams at K-O.

The Varsity team, led by Captain Debbie Margison, finished the season with a 2-3 record. Coach Allain "Allez" Weber was especially proud of the Junior Varsity team, which wound up the season with a decisive victory over Farmington High.

Both teams topped off the season with a challenge match against the faculty and a team dinner at the Chart House Restaurant in Simsbury.

Swim Team

ROW ONE: Carstens L., Piggot M., Piggott P., Kliman, Connolly, LeBlanc ROW TWO: Coach Reilly, Polidoro, Waugh, Gozon, Dodd, Belden, Taylor, Taggart ROW THREE: Margolis, Newton, Sly, Ridlen, Coach Weber ROW FOUR: Gillette, Castaldi, Ergin, Carstens J., D'Abate, Reiner, Kelly, Bansen MISSING: Captains Ann and Bill Fowler

After last years disappointing record, the 1977 Swim Team, in its second year as a varsity sport, is looking optimistically toward the upcoming season. Lead by boy's captain Bill Fowler, and girl's captain Ann Fowler, the team should improve its record over last season. Returning seniors Mike Reiner, Brian Sly, and Gary D'Abate, and returning sophomores David Goggin, Dave Ridlon, and Tarik Ergin should add depth and talent to the team. For the girls, Patsy Piggott, Marty Piggott, and Laura LeBlanc seem to provide the talent needed for wins. Coaches Mrs. O'Reilly, Mr. Weber, and Miss Jamieson are optimistic about the season's outcome.

Girls Basketball

ROW ONE: Han, Title, Van Dyck (co-captain), Martin (co-captain), Howard, Taylor. ROW TWO: Putnam, Caldwell, Zabel, Tryon, Calvert, Coach Thomsen.

The Girl's Varsity Basketball Team, coached by Andy Thomsen, is optimistic on improving last year's 7-5 record for many reasons. First of all, there are nine returning letter-earners, including four of last year's starting five. Co-captains Emily Van Dyck and Mary Martin lead the young team which includes five juniors and three sophomores along with six seniors.

This year's five starters all stand under 5'6", but this lack of height is balanced by the quickness and skills shown by the team. Emily Van Dyck, playing her second year as point guard, will again be joined by Juniors Sandy Calvert, Jill Tryon, and Libby Zabel. Sandy Calvert, probably the quickest player on the team, drives well and is an effective weapon both in the scoring category and in her defensive play. Jill Tryon has a good outside shot and can get to the inside to score. Libby Zabel is strong in rebounding, being able to both rebound and score consistently. She also adds an exciting touch to the defense with her many blocked and deflected shots. Co-captain Mary Martin is a consistently good player and she passes well under pressure as well as contributing to the scoring department.

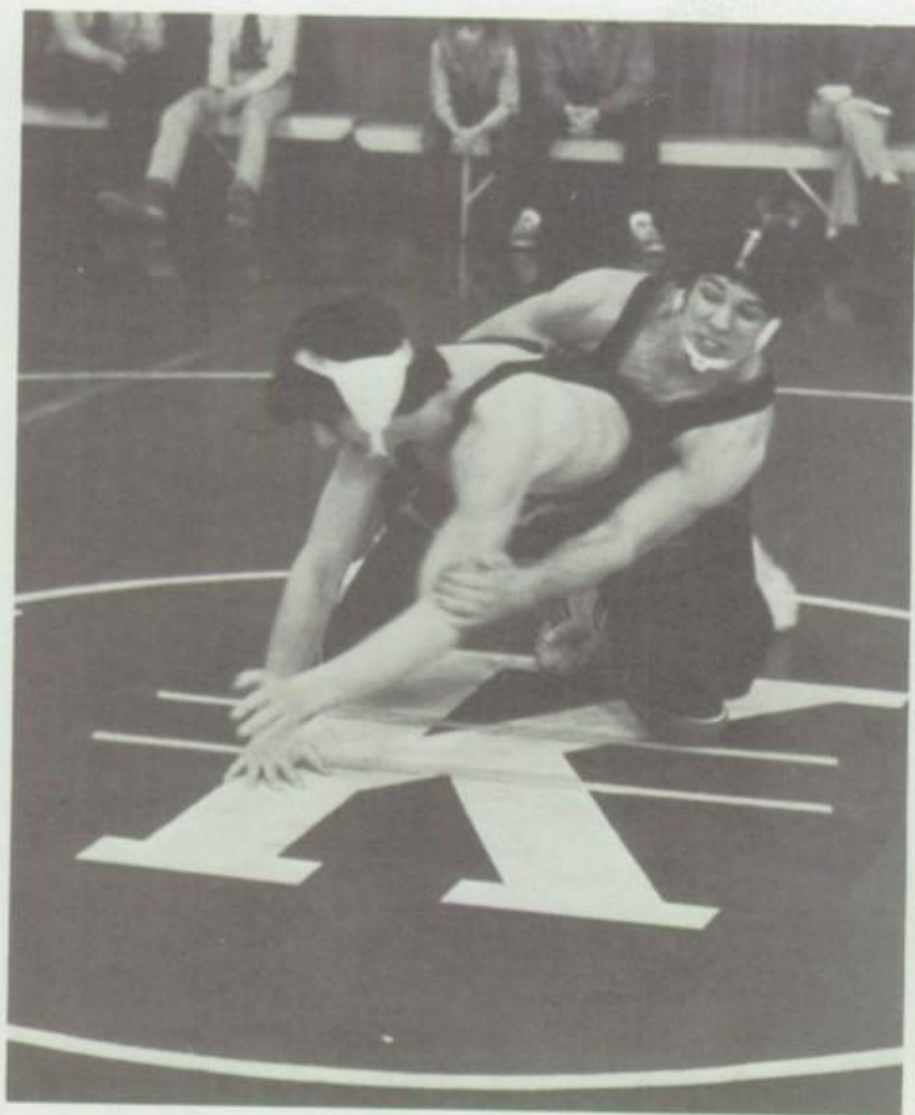

Backing the starting five are able replacements Debbie Caldwell, Diane Title, Sue Putnam, and Janna Jacobson. Debbie Caldwell, returning from last year, is capable in rebounding and shooting. Diane Title has a good shot and she can drive well. Sue Putnam and Janna Jacobson are new to the team and Sue is a good rebounder and a good player over all. Sophomore Janna Jacobson has the potential of being an excellent ball handler and she has experience in that position. Also parts of the team are returners Holly Howard and Liz Fahy, adding to the height and strength of the team, and Seniors Hye-Kyung Han and Kritin Taylor.

Wrestling

ROW ONE: Werner Tarantul, Meyers, Eddy, Felson, Feldman. ROW TWO: Izard, Silverman, Hastings (co-captain), Haverty (co-captain), Hornblow, Paulekas. ROW THREE: Hoffman, Felson, Russell, Roth, Marvin, Mangillo, Belden, Powers.

Boys Ski Team

ROW ONE: Hopkinson, S., DeGraff, O'Meara, Haverly, Hopkinson, R (co-captain), McKenna, M. (co-captain), Downes, Coach Duke. ROW TWO: Pierce, Cuda, Roberts, McKenna, J.

The Boy's Varsity Ski Team, led by co-captains senior Rand Hopkinson and junior Mark McKenna is probably the only team at K-O looking forward to a downhill season. Actually, the eleven slo-pesmen are in for another fine year and although the team is rather

young, it will return many experienced racers. With Hopkinson racing at the number one position and McKenna at number two, the team will receive strong support from Fred Cuda, John McKenna, and Jim O'Meara.

G i r l s S k i T e a m

ROW ONE: Grody, Creedon (co-captain), Bush (co-captain), Filer, Thornton, Williamson, Filer, A., Richardson, Friedman, Davis, Wilson (coach) MISSING: Bush, B., Foster (manager), Bray, Dworkin.

The girl's 1976-1977 Varsity Ski Team is looking forward to a very successful season. Second year coach Daryl Wilson, expects the young team to make a good showing in their eight scheduled meets.

Early time trials indicate three year veteran Junior Erica Grody will again lead the team with Senior Sue Bray and co-captains Kim Bush and Sue Creedon. Diana Bush, Betsy Degraff, Anne Filer, Heidi Richardson and Laura Williamson are all fighting for positions on the top seven. Coach Wilson expects the young skilled team to surprise thier opponents with repeated victories.

Basketball

ROW ONE: Meaney, Smith, Moran (co-captain), Harris (co-captain), Ribadeneyra, Wilson. ROW TWO: Fierberg, Varca, Travers, Kask, D'Apice, Ergin, Brady, Brennan, Frank, Curry, Coach Reilly.

15-6-0

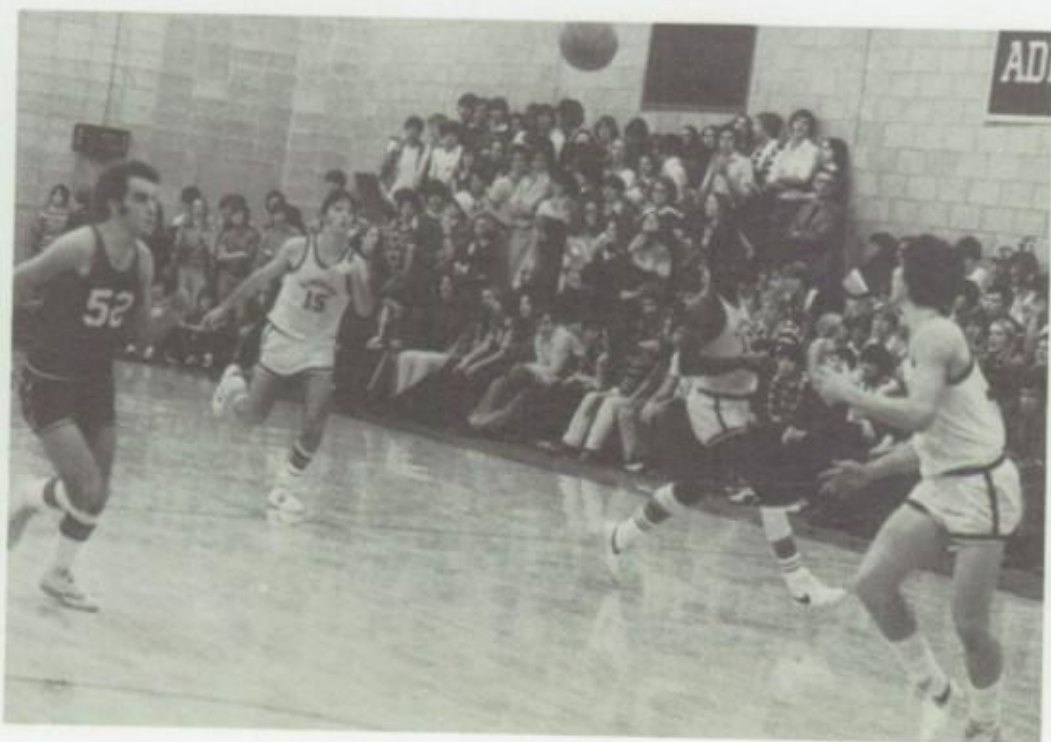

With the combination of nine returning lettermen and strong support from members of last year's fine J.V. team, the Varsity Basketball team has enjoyed early success thus far this season. Led by tri — M.V.P.'s Doug Harris, Phil Moran, and John Meaney, Kingswood copped a third straight K.I.T. crown while upping their record to 6-1.

Under the supervision of new head coach Ed Reilly, the Wyverns became a quick, pressing cohesive unit. Co-captain Doug Harris provided strength on the boards, defensive prowess and an inside scoring threat. The bulk of the offense was again carried by co-captain Phil Moran and Junior John Meaney. Moran with his fine shooting touch and Meaney's ball handling led Kingswood's fine fast break. Sophomore standout, Fred Kask, improving throughout the year, provided strength on the boards and a "big man" offensive punch. Hustling senior Jon Graham gave the Wyverns strong defense and contributed to the fast break offense.

Paul Brennan and Tim Ribadeneyra provided Kingswood the spark that many times got the team on the road to victory. Both were fine ball handlers and shooters who added speed and suspense to the game. Senior Center Mike D'Apice did a fine job backing up the starting big men.

Much of Kingswood's success depended on the hard work of the rest of the bench, which consisted of Roland Wilson, Gib Brady, Jeff Smith, Tahsin Ergin, and John Travers.

Hockey

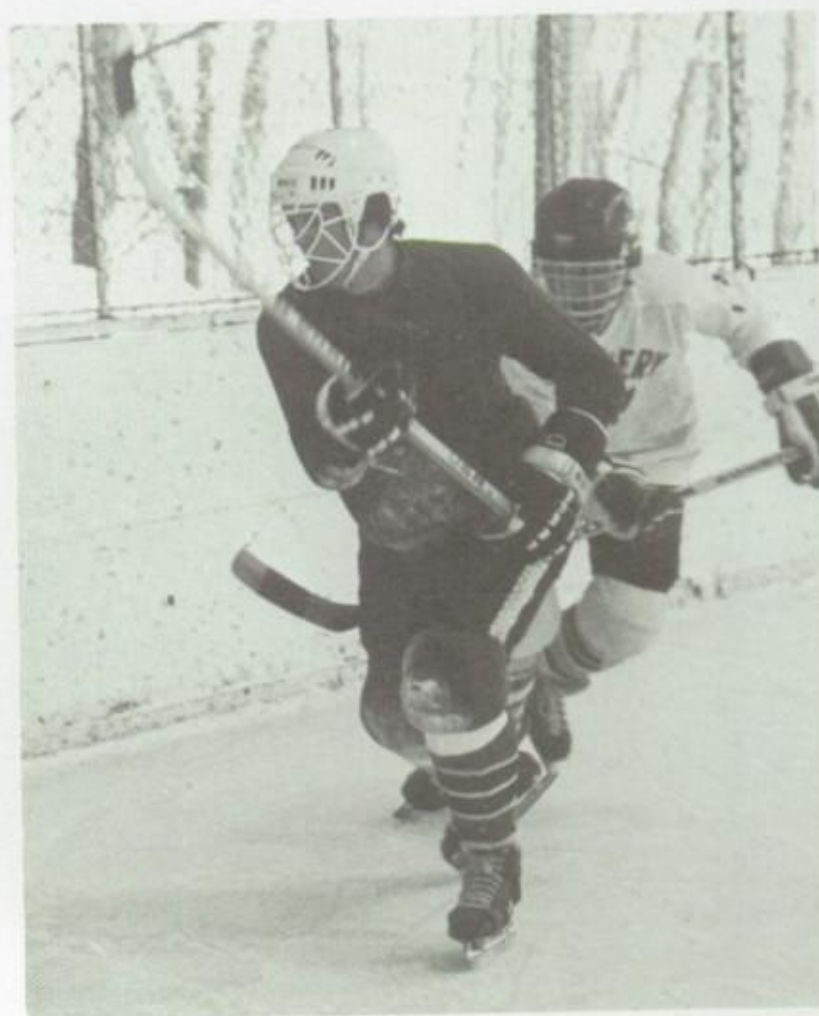

ROW ONE: Ulcik, Elliott, Powers, (Tri-Captain), Herbert, (Tri-Captain), Cramarossa, (Tri-Captain), Reagan. ROW TWO: Gianni, Crawford, Walton, Warner, Leventhal, Jansen, Madden.

This year's 1976-1977 team has started on a successful note to date, with all games being won or lost by a slight margin. This year's Loomis game proved to be the closest ever with Kingswood falling to defeat by only a 2 to 1 margin.

This season's team is well balanced as there are no real stand-out players. Younger players such as goaltender Gianni, McLean, Leventhal, Elliott, Jansen, Waltman, and Warner, will give the team the strength it needs.

This year's seniors will be missed more than ever with six seniors lost to graduation. Andy Cramarossa and Tom Powers, two of the tri-captains, will be ending their fourth year on the varsity hockey squad. Tri-captain John Herbert, James Reagan, Mike Crawford, and Chris Madden will also be leaving.

May the flowers bloom each spring
 Bringing the contentment so needed
 For as I cross the Great Divide
 I can hear the song of the sparrow
 singing its royal joy.

And I, too, sing of joy
 For peace now reigns on the throne
 I thank you all
 For making my years worth living
 Through streams of turmoil
 And oceans of disaster
 You stayed and encouraged
 A strong foundation now formed

So take to the highway
 or take to the sea
 For even miles can't stop and
 my song
 Yet all it says is thanks for being
